Dear Editor:

Your Cracked Counting Contest has me bug-eyed. Everytime I count the "Crackeds" I come up with a different answer. It's driving me wacky!

Andy Taylor  
Dinner Key, Fla.

Keep counting, Andy. We're up to our necks in entries from Cracked Counters all over the country. Just remember to count **ONLY** the complete word Cracked. Good luck!

Dear Cracked:

In your February issue, it said that "for one trading stamp" I could get a year's subscription to Cracked. Enclosed is my stamp. Start sending 'em to:

Jim Richardson  
North Hollywood, Calif.

This offer valid only in exchange for Q and R trading stamps—available at your friendly local trading post in Meringwa, French Equatorial Africa.

Dear Editor:

Whatsa matter with Frank Coleman of Clinton, Massachusetts? Doesn't he know the Mashed Potato is out? The real swingers are doing the: BIRD.

Lucy Manning  
Morgantown, W. Va.

Do you mean to say we bought these Bossa Nova shoes for **NOTHING??!!!!**

(Found in floating bottle)

Dear Editor:

Just read "Getting There is ALL the Fun". What are you—some kind of nut? The Flying Dutchman

????

Dear Sirs:

While reading your February edition of Cracked I took notice of the Brigitte Bardot ad. Some of the boys that sit around me took note of it too. We would like to know where we would be able to obtain the adult size and how much would it cost?

Sincerely,  
John La Wall (and gang)  
St. Pius Seminary  
Galt, California

The adult size is somewhere in France, John. . . . Just what do you study in that seminary, anyway?

Dear Editor:

I like your indispensable aid to mass confusion, but I have one question: **WHAT DOES IT SAY?**

Keith Israel  
Bethany, Missouri

To Whom It May Concern:

Would you please be so kind as to tell me is there an answer to the article you had on the back of one of your recent issues. Our entire office has been trying to figure this out but with no success. Perhaps you could help.

Roseann Gagliano  
DesPlaines, Illinois

Dear Sir:

We were having a party so I put your "Important Notice" on the wall and got some rare results. What does it mean?

Gary Rodgers  
Albemi, B. C.

Our profound apologies to all those who were disturbed and baffled by our "Important Notice". In the interest of clarity, we have decided to rephrase it: It has come to the notice of this Office that the perinis of the derialtor has been **OVER-RUN RECENTLY** by a multitude of unsolicited onterators. **FUTURE emications of THIS TYPE WILL RESULT in the INSTANTANEOUS vermitude and cotorment of THOSE GUILTY PARTIES** whose salamitry is involved. . . . Any further questions?
